The vote on a closed meeting shall be taken in an open meeting and the votes of each individual member are to be recorded in the minutes. Only those subjects announced or voted upon prior to closure by the Board of Supervisors may be discussed in a closed meeting; and
  - ii. if called for when the Board of Supervisors is not in an open meeting, the closed meeting shall not be held until public notice, appropriate under the circumstances, stating the specific provisions of law authorizing the closed meeting is given to the members, and to the general public.
